Product Release: 3CT Configuration Cards (EV3)

Acre Security is pleased to announce the sales and delivery release of the **3CT Configuration Card (EV3)**.

The product is a successor to the 3CT Configuration Card **(EV2)**, meaning the product has moved from using DESFire EV2 to using DESFire EV3.

The 3CT Configuration Cards (EV3) are sold in packs of 10 cards, and in a kit including enrolment reader and software.

Stock availability is expected for July 4th 2025.
